SERVICE MENU

Smooth & Tan are experts in hair removal, tanning and skin care. We pride ourselves on delivering exceptional treatments and invite you to experience our professional and results-driven services including:

INTENSE PULSE LIGHT THERAPY

IPL hair removal and photo rejuvenation are popular treatments to reduce unwanted hair growth and damaged skin. We use Allegro Motion Advanced Technology to ensure the safest and highest quality outcomes. Please ask a member of our team for more information on pricing or a **FREE** skin consultation.

EXPRESS WAXING

Strapped for time? Why not try express waxing! This technique involves two therapists working on the one client at the same time, meaning we can achieve fast results without compromising quality.

OUR BRAZILIAN DIFFERENCE

Lilliane Caron has owned Smooth & Tan for over 40 years and was the very first to offer Brazilian Waxing in Geelong. Her waxing technique is known all over the world, and it includes signature movements like The Butterfly and The Secret Garden.

All Smooth & Tan therapists are trained in the world-renowned Lilliane Caron waxing technique and deliver a Waxperience like no other.

ANTI-AGEING INJECTABLES

Smooth & Tan proudly partner with Dermox™. A qualified injectable nurse works in-salon with us to ensure your treatment plan works to achieve desired results. Ask today for your **FREE** consultation.
